

**Request a STATE OF THE REGION Presentation**

The University at Buffalo Regional Institute is committed to the wide dissemination of its State of the Region project publications, data and information. The institute often delivers State of the Region presentations to organizations and groups both to expose them to the project as well as foster a closer understanding of State of the Region data.

If your group or organization would like to schedule a State of the Region presentation, please complete this form and send it to **Sharon Entress, State of the Region Project Manager** by fax (716-829-3776) or mail (Regional Institute, University at Buffalo, Beck Hall, Buffalo, NY, 14214-8010).

We can "tailor" a State of the Region presentation to fit the interests of the audience. (For example, a Chamber of Commerce may desire a presentation focused on the region's economy or its assets, or a group of educators may be interested in data to help improve delivery of educational services, while health care providers may be looking for ways to collaborate across sectors to improve regional health indicators.)
